Dog Sled Express operates under a Special Use Permit by the USDA Shasta Trinity Ranger District.

PARTICIPANT AGREEMENT AND ACKNOWLEDGEMENT OF RISK

1. I acknowledge that sled dog tours entail known and unanticipated risks which could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties.
2. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.
3. Riding in a sled or driving a sled involves the risk of personal injury. The risks include, among other things, that a domesticated dog, irrespective of its training and past behavior and characteristics, may act or react unpredictably at times based upon instinct or fright, which is an inherent risk assumed by an individual riding in a sled pulled by dogs or driving a sled pulled by dogs. I also understand that a dog bite can result in serious injury. I expressly assume the risks set forth.
4. I understand that my guide or I may lose control of the dogs, have collisions and encounters with other sleds and/or man-made and natural obstacles such as snow banks, trees, cliffs, rocks, or any other obstacles whether they are obvious and natural surroundings including avalanche.
5. Furthermore, Dogsled Express guides have difficult jobs to perform. They seek safety, but they are not infallible. They might be ignorant of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction.
6. I expressly agree and promise to accept and assume all of the risks existing. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks. I further certify that I have no medical or physical conditions which could interfere with my safety in this activity.

I have had sufficient opportunity to read this entire document.
I have read and understand it, and I agree to be bound by its terms.
